White Peacock Feather Women

The peacock feather design is inspired by an art nouveau motif from the early 1900's, and is spiritually symbolic to Buddhists and other cultures. This design is lovely for Yoga Mornings, Beach Days, or Urban Evenings out. Lovely in gold metallic, silver

Interests

I love a mix of the old and new: I collect vintage clothing and eclectic ephemera...I love music like Cheb I Sabbah and Bombay Dub that combines the ancient with the modern...I frequent historical and progressive enclaves. Viva Bohemia!
